

A diagram showing a user interface layout. It consists of a large rectangle divided into three sections. A vertical line on the left side of the top half separates a 'views' panel from a 'workspace' panel. A horizontal line at the bottom of the entire rectangle separates the 'views' and 'workspace' panels from a 'query viewer' panel. The 'views' panel is on the left, the 'workspace' panel is on the right, and the 'query viewer' panel is at the bottom.
